This Christmas we are going to be working with Carecent and St Michael-le-Belfrey Church to help the homeless and vulnerable here in the City of York.

As winter and Christmas approach many people feel that their seasonal wardrobe needs freshening up or that they need a clear-out.

Do you have any of the following that could be donated?

**Warm adult
coats**

Hats

Gloves

Thick socks

**Your gifts need to be taken to Reception or to
the Humanities Office.**

THANK YOU!
