*The purpose of this Advent - Christmas Calendar is for you to give to your youth group, tell them to think through the clips, question themselves and perhaps even to be inspired to make a difference in their own Christmas this year – be that giving to the homeless, or making a craft Christmas present for a member of their family.*

*Some are for children, some for adults, but all are to make us think and hopefully respond in some small way to the God who calls to us from the still and quiet voice, from the manger prepared for the coming of Jesus into the world.*
