

**Some ideas to try with your family or church group. Tick them off when you've done them 😊**

- 1 - Hold a photo project over a month, or through Advent or Lent: choose different themes and share your photos each week.
- 2 - Act out a bible story together: turn it into a photo-story or a video to share in church - think about how the different characters might feel.
- 3 - Have a baking competition and raise some money for charity.
- 4 - Praying with pictures: draw things you want to thank God for; take photos of people or places you want to pray for; collect images that help you think of God.
- 5 - Make some potato print cards to send messages of encouragement or thanks to people you know.
- 6 - Write a book together: it could be a book of anything you want: prayers, poems, stories, pictures, memories?

- 7 - Share your favourite music or songs with each other: think about how the song makes you feel; what do the words say?
- 8 - Make a comic book version of a bible story: what will go in each panel so you can tell the whole story; What if you could only use four panels?
- 9 - Watch a film together: are there any happy moments in the film? Are there any sad or difficult moments?
- 10 - Visit the 'Battered + Berthed' art exhibition at Princes Quay in Hull (Oct to Dec 2017). While you're there visit the Ferens art gallery too.
- 11 - Story-telling: take turns to tell each other a story - it could be about yourself or someone else; true or made up.
- 12 - .....   
(what's your idea for being creative in church?)

**Why not show us what you have done:**
