First Fruits Prayer Station

Materials:

- Trellis
- Ivy
- Post-it notes and pens
- Pegs
- Bowls
- Instruction sheet

Set up:

- Prop the trellis up against a wall/pillar or similar. It works best if there is a stool or kneelers to raise it slightly, which could be covered by a bit of fabric.
- Weave the ivy through the trellis.
- Place the bowls to one side, and place in there the pens, post-its, and pegs.
- Put the instruction sheet on the other side, on a raised stand if you have one.
- Peg a couple of examples on the vine to encourage others to follow.
