INSPIRING **MUSIC** IN **WORSHIP**

A practical workshop day with the author

Helen Bent

Head of Ministerial Training for the Royal School of Church Music
working in partnership with Praxis

This engaging and interactive day will encourage parishes to make the best use of music to enhance their worship, even with few resources. There will be accessible musical examples although no musical expertise is needed. The day is based on the excellent RSCM course of the same name.

The reviews state: ‘What a gift! This is outstanding material and could be the most important and effective resource published in recent years.’

Particularly applicable for those in multiple parish benefices.

Helen Bent is a priest, musician and respected author with a wealth of experience in both parish ministry and the training of worship leaders and musicians across the country.

Cost: £10 pp payable on the day.

Please bring a packed lunch
