Resources for online engagement

- You can use the [powerpoint](#) of the pictures and [story plan and script](#) to tell the story on a live stream or show the animated video of the story using paperbag puppets by <https://youtu.be/-xfCOxaw20M>
- Encourage the children, particularly the younger ones to engage with the 'ready steady' activity from the Family Funsheet before you tell the story.
- Mad science experiment - make a paperbag turn into a puppet
- Ask a child or young person to practice and read the [extra story - Just a Touch](#) live or pre-recorded
- Get someone to act out and film the [Drama Script in which Horatio the Healer](#) tries to persuade us that his potions are better than Jesus instant healings - great opportunity to include some young people
- Show [Dynamic Dan magic and story application video](#) or upload this to your website
- [Book of Hopes - Me](#) by Swapna Haddow p291, encourages the children to see themselves as Jesus sees them. This is why he gave time to the woman and the girl and all those he healed.
