Theme: Justice

Equipment: piece of paper shaped to look like weights. A set of scales

with weights or a picture of some scales weighted down on one side. You could also include stories of injustice in our world using examples from Christian Aid or Unicef

Some people are treated unfairly. Scales are often used as a symbol of justice. Look at the scales, one side is weighted down with things that aren't fair.

If you want to on a piece of paper write a thought, prayer or action that you could do to help bring fairness to the world. Together will you all be able to balance the scales with your thoughts, prayers and actions?

Jesus was taken to the Roman Governor Pilate. Although the soldiers mocked Jesus and put a crown made of thorns on his head, Pilate could see that Jesus was innocent. Pilate offered to free Jesus as part of the Passover Festival but the crowd said they wanted Barrabas, a well known criminal, freed instead. Pilate knew what was happening was wrong, so he washed his hands as a symbol that he did not want to be part of this decision. The crowd shouted for Jesus to be crucified, and he was lead away by the soldiers.
