THINK

PRAY

Light – light a candle and thank God for the creation of light and that Jesus came as the Light of the World

Bread – Traditionally the Passover bread is unleavened because the Israelites did not have time to wait for it to rise before leaving.

As you eat the bread, remember Jesus saying it represented his broken body

Wine/Juice – God made four promises to his people, written in Exodus 6:6-8, these are remembered in the Passover tradition by drinking wine four times. Drink four times and each time thank God that he keeps his promises

Bitter herbs and salt water – These remind us of the hardships the people of Israel faced as slaves in Egypt before God heard their cry and rescued them. As you taste them, pray for all those that are still suffering in slavery

Make a communion cup out of silver foil or have a go at making some flatbread for your Passover meal
