

## Fire safety risk assessment: small and medium places of assembly

HM Government has produced a guide for all employers, managers, occupiers, and owners of small (accommodating up to 60 people) and medium (accommodating up to 300 people) places of assembly including:

- Clubs
- village halls and community centres
- churches and other religious centres
- marquees and tents

You can find it here:

Part 1 Explains what fire risk assessment is and how you might go about it. Fire risk assessment should be the foundation for all the fire precautions in your premises.

Part 2 Provides further guidance on fire precautions. The information is provided for you and others to dip into during your fire risk assessment or when you are reviewing your precautions.

There is an Appendix covering historic buildings.
