

HEART OF GENEROSITY: WHY GIVE?

Church name here

1. Responding to God's Generosity

God is, by nature, a God who gives – in fact, it is possible to read the whole Bible as a narrative of giving. As Christians, we are enriched by the gifts God has given to us, and are invited to respond through gratitude and grace. We are blessed, so that we may be a blessing to others.

2. Enabling Mission and Ministry

The end point of all our giving is that it enables mission, which enables the church to grow and to be Christ in the world.

Here in our church, we are proud to be able to serve our community in many ways – through worship, pastoral care, study groups, our choir, as well as our relationship with schools, the Mothers' Union, and many other community outreach partnerships.

All these offer an opportunity for people to encounter God's love.

3. The Importance of Regular Giving

Regular, planned giving is a commitment to our church grounded in faith – our planned giving reveals our priorities, where our heart is, and our faith. It also allows the PCC to plan effectively, and enables mission to be budgeted based on a known income. This giving commitment also enables us to grow as disciples.

Thank you for all you are able to give. Your generosity enables us to be the Church in our community.
