

GRANT APPLICATION FORM

The Ministers Relief Fund (MRF) gives grants to relieve need, hardship or distress amongst serving and retired clergy and their dependents. It doesn't matter why this has come about, whether it's through illness, accident, or if problems have to build up over a longer period.

As a general rule the Trustees do not offer holiday grants and, unfortunately, the Fund isn't able to help with ongoing costs (e.g. school, medical/care fees), but it may be able to assist with short term changes in circumstances or the additional one off costs that inevitably arise. Periodically, additional support related to cost of living may be offered and details will be provided via the MRF page on the Diocese of York website.

Please note that the Ministers Relief Fund operates independently from Diocesan Board of Finance, but seeks to support all those engaged in ordained ministry within the Diocese of York.

If you would like to discuss your application, the clerk would be happy to arrange for an initial conversation with one of the trustees.

When filling in the form overleaf, please set out your difficulties as fully as you are able. Depending on the nature of the application, the trustees may ask for further information.

The questions below may help you to think about the issues you face and enable you to describe your situation more clearly:

- Do you have contents insurance or any other insurance policy that you can claim on to meet your current need?
- Is your difficulty caused by a change of circumstances (illness, accident, etc)?
- Have your problems been building up over a longer period?
- Are you able to meet all your day-to-day bills as they come in?
- Do you have any savings to help you cope with the ups and downs of life?
- Do you have to use an overdraft regularly to get through the month?
- Are you able to pay off your credit card every month?
- If not, do you know when you will be able to pay off the outstanding balance?

For larger grants, particularly related to the relief of debt and/or where further details may be required, the trustees may invite applicants to have a conversation with one of their lay members to try to put together the most appropriate package of support.

For further assistance with your application, please contact Kathryn Rose (Clerk to the Trustees) at the Diocesan Office on 01904 699500 or krrose@yorkdiocese.org.
