## 5. Sensitive story consent - only tick if relevant

- I understand that this story, photo, video or audio may reveal information about my faith, beliefs, personal experiences or circumstances. I give explicit consent for the Diocese of York to use this material for the purposes selected above.

## 6. Restrictions or things we need to know

For example: no social media, no video, first name only, internal use only, accessibility needs, safeguarding considerations, or anything else.

<b>Notes / restrictions</b>	
-----------------------------	--

## 7. Consent

- I give permission for the Diocese of York to record me and to use/publish the media in the ways I have selected above.
- I understand that my image, voice and words are personal data, and that my consent is the lawful basis being used for this processing.
- I understand that once media is published online, especially on social media, the Diocese of York may not be able to fully control re-sharing, downloads or reposting by others.
- I understand that I can withdraw my consent at any time. The Diocese of York will stop future use and remove the media where reasonably possible.
- Unless I am told otherwise, the Diocese of York may keep and use this media and consent record for up to 5 years, then review whether continued use is appropriate.
